#### **Terms & Conditions**

Capella Science 2024 OMNI Bead Mill Homogeniser Refer a Researcher Program is only valid for 2024 & for each successful referral and purchase order raised. Customers must email [sales@capellascience.com.au](mailto:sales@capellascience.com.au) to make the referral. To qualify, the researcher who made the referral must raise a PO for an OMNI Bead Mill Homogeniser within 3 months from the point of issue. For researcher colleagues to qualify for 20% off their next OMNI purchase order, they must raise a PO within 3 months from the invoice date of the successful referral. The researcher colleague cannot be claimed by the same person making the referral. If the referral researcher does not raise their PO in 2024, 20% off will not carry over in 2025. This program can NOT be combined, with each other, or any other discounts in a single order. Excludes GST & Freight. Research use only and not for use in diagnostic procedures. Capella Science reserves the right to modify, suspend or terminate the OMNI Bead Mill Homogeniser Refer a Researcher Program, in part, or in whole, for any reason, at any time, or upon reasonable notice to you (including by email).
