

# Kuhner shaker

## Optimal cell cultures results

### ISF1-XC

Incubator shaker with pull-out table

- Reliable, durable shaking machines for use in research and production
- Optimal temperature distribution
- Precise humidity and CO<sub>2</sub> control
- Highly efficient direct drive system
- 5 Year warranty
- Optional UV, photosynthesis, online monitoring etc.

### ISF4-XC

Four shakers - one footprint

### SB50-X

Bioreactor system for mammalian and plant cell cultivation
